**Bravante 2006 Estate
Cabernet Sauvignon
(Howell Mountain)**

A Cabernet of considerable heft, showing the big-time tannins the mountain is known for. Below them are very rich blackberry, blueberry, cassis and mineral flavors, leading to a dry, spicy finish. A bit hard and difficult now, but should hit its stride starting in 2012. — S.H. *Published 12/31/2010*
