

Lido Tasting Room Private Event Overview:

Overview: The Lido Tasting Room offers peace of mind while planning your event. We provide excellent wines and a beautiful event space, and our staff works with you to ensure everything is perfect throughout the experience. The event set-up is flexible: We can walk you through a detailed wine tasting, describing the wine-making process at our Napa Valley estate, or we can leave you and your guests to enjoy each other's company. The entire space is yours for two or three hours and can accommodate up to 30 guests. Most private events will buy bottles for their party to share, but you can order anything from our menu.

Pricing: We keep our private event pricing simple so you can know exactly what you will pay before you sign up. To host an event with us, you will cover three costs: the reservation fee, the cost of any purchased wine, and an automatic 20% gratuity to wine purchases.

- 1. Reservation Fee:** Our reservation fee is charged hourly and covers labor, shop cleaning, and shutting down the business during operating hours. The fee changes based on the day and time you choose to have your party. When we book your reservation, we take payment of this reservation fee. It remains fully refundable until 48 hours prior to the event.
- 2. Purchased Wine:** We do not have a minimum purchase amount and do not allow outside alcohol in the tasting room during private events. Our staff will help you select wine based on your preferences and budget. We have attached a menu so you can better understand our pricing. We have found that most private events will enjoy a bottle of wine every two to three guests.
- 3. Automatic Gratuity:** As with any large party, a 20% gratuity will be charged for any purchased wine on the day of the event.

Availability: We currently offer private events during our normal operation hours (Friday, Saturday, and Sunday). We offer private events on weekdays on an ad-hoc basis based on staffing availability. Please reach out to us via email at lido@bravantewine.com for more information.
